

MOTION BY SUPERVISOR HILDA L. SOLIS

November 24, 2015

Reward Extension Offered for Leads on Gabriel Soto's murder case

On May 25, 2013, Gabriel Soto's life was cut short by an act of senseless violence that resulted in his murder, and after 2 ½ years, no one has been held accountable.

Investigators believe a reward would be appropriate in this case, and hope that by offering a reward, witnesses with information will be motivated to come forward to help apprehend and convict the suspect(s) in this heinous crime.

Gabriel Soto was a bright light. He shined in the eyes of everyone in the community. He was the model kid from East Los Angeles; he worked hard in school and always tried to empower his peers through his core values of, respect and hard work to being a model citizen. After graduating high school, he continued his education at Lincoln University in Jefferson City, Missouri. He was the first in his family to attend college.
